

# STANDARD FUEL MANAGEMENT PACKAGE

700 to 1900 Litre

## STANDARD FUEL MANAGEMENT PACKAGE

**Includes:** 1 x Ensol Fuel Tank  
Levno for Fuel - Fuel Monitoring

## ENSOL FUEL TANK

### Ensol Fuel Tank

Ensol Fuel Tanks are constructed in high-strength marine grade aluminium and fitted with high quality parts and accessories, above ground tanks include the Ensol safety ladder.  
All Ensol tanks exceed HSNO regulations.

Chose from 700, 900, 1100, 1600 and 1900 Litre, On Ground or Above Ground and Single or Combination use tanks.

## LEVNO FOR FUEL

### Levno for Fuel - Fuel Monitoring

Monitor your Fuel 24/7 wherever you are. Levno lets you know precise fuel taken, refill quantity and when.

The intuitive Levno Dashboard puts you in charge. It's easy to set up automatic alerts for fuel usage and deliveries – and you can review fuel movements and compare them over any time span.

Know when you're low in single or multiple tanks throughout NZ. View your Levno Mobile Dashboard anywhere, and if you're low, call your fuel delivery company for a delivery – or just send them an automatic email or text alert.

Know instantly if fuel is taken, at any time of day or night – and when people know you have Levno, fuel 'shrinkage' will stop.
